US Sports Camps, operator of the Nike Softball Camps, has been in the business of offering quality sports camps for 36 years. Over those years, we have hosted nearly 600,000 happy campers. Our mission is to provide athletes with the tools to improve and to enjoy a sport for life.

Camp Director

Jodie Holava

Holava's .571 winning percentage is the best by any coach in program history, and the team has been even more impressive under her guidance against conference opponents, boasting a .667 winning percentage.

The Yellow Jackets have won three conference championships in six years during Holava's tenure, and finished among the top-three in the final standings in four out of six years. Even during a relatively disappointing 2010 campaign, when the Jackets finished just below .500, marking Holava's second only season without a winning record, the team managed to tally four National Fastpitch Coaches Association All-America Scholar-Athletes, four Academic All-HCAC selections, three HCAC Players of the Week, and five All-HCAC performers.

Holava joined the DC family in 2006, after spending the 2004-2005 softball season at Notre Dame College of Ohio as an assistant softball coach. With her help, the Falcons finished the season 23-17, marking the best record in school history.

USA/ASA SOFTBALL

US Sports Camps combines with Nike and USA/ASA Softball to offer the Nike Softball Camps sponsored by USA Softball.

USA Softball is the brand created, operated and owned by the ASA that links the USA Men's, Women's, Junior Boys' and Junior Girls' National Team programs together. USA Softball is responsible for training, equipping and promoting these four National Teams to compete in international and domestic competitions.
